

GFWC BRANDON SCHOLARSHIP OPPORTUNITIES

The General Federation of Women's Club Brandon Service League annually awards two scholarships to graduating seniors in the Brandon area. A third scholarship is available to adult women only who need further education or training to reenter the work force or improve their professional skills. The scholarships are not a full scholarship. Applicants therefore need to ensure that they have reliable access to other financial resources to cover the funding gap. The \$1000 scholarships are intended as a contribution to tuition fees and academic course materials. They are specific to certain areas of study. If you think you qualify for one of the three outlined below please fill out the application, follow all directions, and mail to the appropriate address.

The Reynolds and Claire Bryan Scholarship for the Arts

1. Open to all graduating High School seniors.
2. Must plan to obtain a degree in any area of the arts – art, music, theatre, or a teaching degree in any of these areas.

Women in Education Scholarship

1. Open to all graduating female seniors.
2. Must plan to obtain a degree in Education in order to pursue a teaching career.

The Pat and Lee Elam Scholarship for the Renaissance Woman

1. Open only for adult women, due to life or family changes, find themselves in need of further training or education.
2. Must plan to attend a technical school, community college or University to attain this training
